

Directions for putting together a Passport out of one piece of paper.

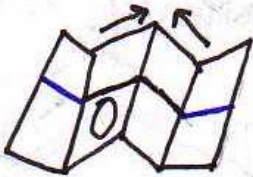

1. Fold the paper in half, long ways.

2. Fold the paper in half twice, short ways.

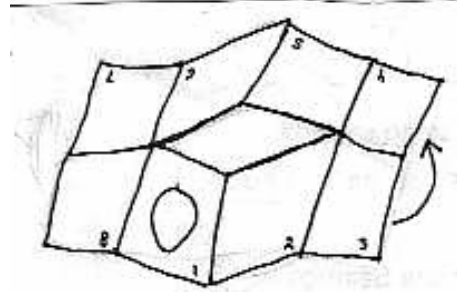

3. Open up the paper

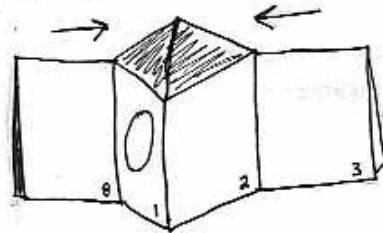

4. Push the center vertical crease up to the sky and the 2 side vertical creases down.

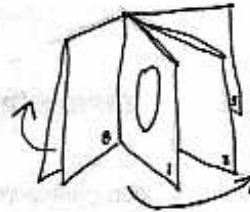

5. cut along the vertical crease down to the next crease in the paper.

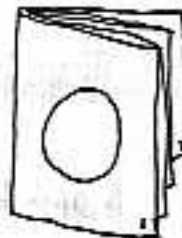

6. Open the book up and fold the paper in half again long ways so that pages 3 and 4 meet back to back.

7. Push the sides together so that an opening appears in the center of the paper. Push until pages 1 & 2 meet and pages 5 & 6 meet back to back.

8. Wrap the pages around so that the Earth in on the front and the 8th page is at the back.

9. You are finished putting together your Passport.
